

Installation guide

#####

online installation guide

Installation of Userlist

step 1 - Go to your file manager.

step 2 - public_html ----->system -----> panel

step 3 - Remove the old userlist if there is any then unzip the file.

step 4 - Refresh the site.

step 5 - Installation complete.

You can edit userlist ranks according to your needs we have left some extra spaces in it you can add the name of the rank and refresh the page then you good to go
